

FIRE HORSES IN RUNAWAY

CAUSED MUCH EXCITEMENT
DURING BIG PRINCESS THEATRE FIRE YESTERDAY.

A second excitement yesterday afternoon almost as great as that created by the Princess theatre fire, was caused by a runaway on Ninth street. During the excitement of the fire a pair of horses belonging to the Fire Department became excited while standing on Ninth street in front of the express office headed east. Tom Wadlington grabbed the lines and tried to hold them but was forced to release the lines when the wagon ran too near another to allow him to pass between them.

Breaking away from the driver the team dashed up the street at full speed till they came to Liberty street where the tongue of the wagon struck the big concrete block squarely and knocked it over and also overturned the wagon and demolished the entire front of it. Although this collision checked the runaway horses not a scratch of any consequence was sustained by either.

This runaway and accident caused hundreds of people to follow in a run up the street to see the outcome and render assistance if any were needed. All praise for the silent policeman which arrested the unruly team of horses. The horses were taken to the station and locked up.

REV. CHAPMAN JOINS Y. M. C. A.

WILL REPORT FOR DUTY JULY 1ST AND WILL BE SENT OVERSEAS.

Rev. Thos. Chapman, pastor of the Universalist churches here and at Crofton, has been accepted for Y. M. C. A. overseas service. About three weeks ago Rev. Chapman applied through the State Y. M. C. A. Headquarters in Louisville for overseas service in either the religious or clerical department of the Army Y. M. C. A.

Saturday, Rev. Chapman received instructions from the Departmental head in Chicago that his application had received favorable action and he had been accepted. The instructions also directed him to report at Headquarters in New York on the morning of July 1 for assignment to duty.

Rev. Mr. Chapman has a son in France and one in the Panama Canal zone who is expecting to go to France at the earliest possible opportunity. He says he wants the entire fighting contingent of the Chapman family in the Allied service before this war is over.

During his brief stay with us Mr. Chapman has by his upright Christian living and pleasing and general man-

ner, endeared himself to the public as well as to the particular church followers. However much we may regret to see Rev. Chapman go, we glory in his going.

MORE WORKERS ARE WANTED

RED CROSS TOBACCO SALES COMMITTEE SHORT OF LABORERS.

The Red Cross Tobacco Sales Committee is beginning to send out the hot days, chautauqua days, and baby-weighing days are upon us. Mrs. Melton, who was captain for the past week, states that helpers are needed and appeals to the ladies of the city to rally around Miss Lucile Van Cleave this week and not allow the work of collecting Red Cross tobacco to suffer for the lack of helpers. Think of some boy standing in front line trenches suffering for the want of socks or sweaters or something you might have helped to provide.

The Red Cross tobacco sales yesterday will approximate a total of \$500. This is very fine considering the fact that deliveries were not so large last week and workers were few. Broad-bent Bros. donated 100 lbs. which brought \$29.50 and 25 lbs. donated by some farmer was bid in by Auctioneer Walter Williams at \$1.00 per pound and he gave it back to the Red Cross and it sold again at \$26.00 per hundred.

A CORRECTION.

In publishing our "Honor Roll" of those persons from Christian county who have arrived in France, the name of Miss Pansy Jenkins was included in the list of Red Cross nurses. The information received which led the Kentuckian to list Miss Jenkins name has turned out to be an error, and Miss Jenkins it is found has not been to France but has been in Louisville at Camp Taylor the while. She is now visiting Mrs. Howard Stowe, on the Julien pike. The erroneous report was read in a Louisville paper and the Kentuckian is glad to make the correction and conform to the wishes of Miss Jenkins. It is due Miss Jenkins, however, to say that she is ready to go to France when her country calls her.
